the Netherlands

**Topic:** Insights into breeding  
climate resilient crops

**Dr. John Manners**  
Director CSIRO Agriculture  
CSIRO, Canberra, Australia

**Topic:** Linkage between  
sustainable agriculture and  
bioeconomy

### Abstract Submission

The AGBIO2017 Steering Committee will solicit oral and poster submissions for the meeting in Bangkok, Thailand until **30 September 2016**. Both oral and poster presentations will be reviewed by the scientific committee for acceptance in the program. Early submissions are encouraged to avoid delays on the last days.

Submit oral presentations EARLY. To fit into the meeting program and available meeting space, the number of acceptance for oral presentations will be limited. There is no limit to the number of poster presentations.

All submissions will be reviewed for acceptance as they come in with notifications of acceptance being e-mailed to the presenter (as designated on the abstract submission form). Notification of acceptance will be e-mailed from 31 October 2016 to the presenter as well as posted on the AGBIO2017 website.

Every presenter of an oral or poster abstract must register by 30 November 2016 otherwise the abstract will be withdrawn from the conference.

### Poster Awards

10 poster awards are waiting for you. Hurry up and be sure to submit your paper for a chance to win the prizes by following topics;

- Seed Technology
- Starch Crops, Utilization and Biobased Products (e.g. cassava, rice, and tuber crop)
- Pollinators and Ecosystems
- Sustainable Agriculture
- Precision Farming
- Organic Farming
- Technology Transfer to Communities & Farmers
